Palomar District's 30th Floral Design Forum

What is the Floral Design Forum? Our Objective is to **Celebrate the Floral Industry** by bringing the finest floral designers, from all areas: Professional, AIFD, Ikebana schools and National Garden Club designers, to San Diego County (and now everywhere, on-line); to promote appreciation of floral art forms; develop skills in critiquing floral art; improve individual skills for in home floral decorating; learn skills for flower show exhibition; encourage members to enter flower shows and promote floral arts in the community. The forum is open to anyone interested in floral design. We also introduce our audience to new products, new or different plant material and ways to use them.

What can you do to help **Save the Forum?** Our annual memberships are down. Join the Forum for just \$100 for all eight sessions, first Monday of Oct. thru May. Become a **sustaining member** for a donation of \$500 or a **corporate member** for donation of \$1000 or more. Donations or demonstrations of plant material or product also qualify. The Forum is a part of the Palomar District of California Garden Clubs, Inc, and is a non-profit, 501 C (3).
