Black Point Historic Garden Project

Donation Form

In 2021, CGCI members approved financial support for Black Point Historic Gardens in partnership with the *Golden Gate National Parks Conservancy*. Funds are needed to:

- Plant plants keeping with the historical aspect of Black Point to recreate a strolling garden and to design crucial urban wildlife corridors,
- Acquire garden tools and compost to assist in the restoration of the gardens,
- In exchange, CGCI's logo will appear on acrylic plant signs in the garden and be promoted on GGNPC's social media. Local CGCI clubs can also participate by growing plants for the garden, and/or adopting an area of the garden,
- Maintain Black Point Historic Gardens, within its historical context, as a site for public enjoyment, horticultural, environmental and social education, community engagement as well as for the arts.

Donations in any amount may be made by individuals, clubs or districts.
