**2018 Endowment Fundraiser at the Convention:****Julie West, Board of Trustees/Endowment Chairman**

The canvas tote bags "Supporting CGCI and Scholarship Endowments" raised \$1,750 with donations received from the following individuals:

Sue Bennett, Lisa Brennan, Chris Collier, Myrtle Findley, Robert Gordon, Marlene Kinney, Shirley Lipa, Shane Looper, Sherry Molinari, Martha Smyser, Phil Stanley, Carol Vallens, Gail & Hank Vanderhorst, Carolyn Villi and Dave West.

The proceeds were split 50/50 between the CGCI and Scholarship Endowment Funds equaling \$875 for each. There is one tote bag remaining that will be auctioned to the highest bidder at Convention in 2019 as the design print is no longer available.

Alexis Slafer was the high bidder for the *Golden State Warriors* tickets and Dave West obtained the autographed basketball from the 1974-75 *Golden State Warriors* NBA championship team. A total of \$750 was raised for the Scholarship Endowment Fund. Thank you to the anonymous donor who provided the two *Golden State Warriors* items and "Congratulations" to the two winners! Now that the Warriors are 2018 NBA champions, aren't those two items even more valuable? A special 'thank you' to individuals who kindly made a donation when registering for CGCI's convention:

Ted Benson, L. Bodiford, Kathy Bramhall, Brenda Leal, Cynthia Martin, Mary McNicholas and Linda Smith.

\$20 was received for the CGCI endowment fund and \$125 was received on behalf of the Scholarship Endowment for a total of \$145. To summarize, the CGCI Endowment Fund increased by \$895 and the Scholarship Endowment Fund increased by \$1,750 for a total of \$2,645 for both. On behalf of the Board of Trustees and Endowment Committee, we 'thank you' for the support and generosity of those who contributed to the success of the endowment fundraising campaign at CGCI's 2018 convention.

## The Perfect Gift!

### Carlotta Wixon-Welker, Life Membership Chairman

What can your club or district give to your officers or members in recognition of all they have done for your organization? It's simple...a CGCI Life Membership. This is a perfect "going out of office" gift for retiring officers or to honor special people for their years of service. As the name implies, it is for the life of the person you are honoring. Of course, you can treat yourself to a membership as well. Aren't you an honored member? Over the past year CGCI gained 27 new Life Members and added \$2,700 to the Scholarship Fund. Members also purchased three Pacific Region and four NGC Life Memberships. The forms are available online at

<http://californiagardenclubs.com/LifeMemberships>

or contact this chairman.

## New Shrubs for 2018

### Judy Powers, New Cultivars Chairman

- A non-invasive barberry: Researcher's at the University of Connecticut and North Carolina University have worked on breeding sterile and seedless varieties, so they would be allowed in states where they are banned. This new series of berry is called *Worry Free*. Look for a compact burgundy colored one called *Crimson Cutie* and a gold-leaved one called *Lemon Glow*. The variety is a compact shrub, deer-resistant, drought tolerant, likes full sun to part shade, and makes a 3' x 3' size. Both have beautiful leaves, one burgundy and the other a golden yellow.

- *Smokebush Velveteen* is a new variety of smokebush with the purple-burgundy color of other smokebush, but it is a dwarf growing 3' x 4' tall and wide instead of 12' or more. Like other regular smokebush it likes to grow in full sun and well drained soil and it can be grown in a pot.

**Plant America "Planting" Party****Julie A. West, NGC Liaison for Luther Burbank District of California Garden Clubs, Inc.**

Petaluma Garden Club, Petaluma, CA received a 2018 NGC Plant America Grant to establish a 150 foot hedgerow along the northern border of the Sunrise Community Garden. The club is one of 28 winners out of 415 applications nationwide. The inspiration for this project was a club field trip to *Singing Frogs Farm* in 2017. The owner mentioned their success planting a hedgerow of flowering and fruit-bearing shrubs varying in height from five to eight feet to protect crops from insects because the hedgerow attracted a variety of beneficial insects and pollinators.

Once the grant application was accepted, Project Chairman, Deanna Statler, assembled a committee to research the plants needed that love full sun, heavy soil, summer watering and withstood afternoon winds. A variety of 30 shrubs, 21 perennials and 4 fruit trees were selected.

In March, the city of Petaluma's "Mulch Madness" program donated rolls of cardboard for sheet mulching along with several yards of wood chips to prepare for planting the 750 square foot space. The plants were ordered from a local wholesale nursery and delivered April 20. On April 21 nineteen volunteers, including garden club members, master gardeners, Sunrise Community gardeners, friends, family and grandchildren of all ages, began the planting. Once the plants were placed, numbers on fence and plants were double checked by Master Gardener Sue Calvert. Once planted, volunteers watered and spread fresh mulch.

Congratulations to Chairman Deanna Statler, committee members and planting volunteers. Deanna foresees a beautiful hedgerow that provides food for birds, butterflies and bees, shelter for other beneficial insects along with beauty and food for this neighborhood community garden.

Each 8 foot section of fence was numbered as were the 55 plants to be matched and placed by planting party volunteers.

Volunteers were divided into teams.

The project was completed in three hours!

**"Discovering the GOLD in Valley Lode"****A California Judges' Council NGC Standard Flower Show****Kathy Bramhall, General Chairman**

California Judges Council members created colorful eye-catching designs for their NGC Standard Flower Show "Discovering the GOLD in Valley Lode." It was held in conjunction with the CGCI Annual Convention June 3-7, 2018 in the mountains of Tuolumne County. Twelve standard-sized and 13 petite designs graced the lobby of the Black Oak Hotel. Downstairs in the Convention Center over 150 container plants, cut flowers, and cut branches demonstrated the horticulture abilities of the local Valley Lode District gardeners and a few others from around the State. Plus, four CGCI Chairmen graciously allowed us to use their educational displays as exhibits in the Flower Show.

In the Design Division the judges were awed by the outstanding designs. Marilyn Scheller won the Designer's Choice ribbon and the Award of Design Excellence for her "Springtime on the Claim" and the Petite Award was won by Susan Coolidge's 6-inch design "Ace is High".

The judging panels awarded blue ribbons galore and placed Top Exhibitor Awards on outstanding entries. Local member Jackie Portillo won the Award of Merit for her giant, beautifully formed Dill Flower in the Annuals Section and a second Award of Merit in the Roses Section for her colorful Floribunda spray 'Ketchup & Mustard'. The Arboreal Award was won by Michele Blomberg for her outstanding Jujube Tree cut-branch entry. Chris Collier's entry of a beautiful Asian Lily won the Award of Merit for the Perennial Section. Barbara Coelho's entry of an exotic Trichocereus cactus won the Grower's Choice Award for container plants and the Horticulture Excellence Award or the "Best of Show" for the Horticulture Division.

The Educational Award was won by Carol Vallens' Penny Pines display featuring a life-sized Smokey!

My thanks to all our exhibitors, judges, clerks and other helpers. Our hope is to make this Flower Show a biennial event in conjunction with the Convention in even-numbered years. Also thanks to CGCI President, Krystal Migliore; Convention Chairman, Bob Taylor; and Valley Lode District Director, Pamela Fish for supporting the California Judges Council in this effort.
