Message from the NGC President

There was an overwhelming response to the PLANT AMERICA Community Project Grants Program. 415 garden clubs applied in the first year of this new NGC program! This is wonderful that so many clubs are active in their communities.

This level of response shows the needs of NGC's clubs. One of our roles as a national organization is to support our clubs in accomplishing our mission. NGC must do all it can to expand the funding for these grants to help clubs all across the country with their projects.

In order for this fund to increase so that NGC can give more grants, P. Allen Smith is providing a fundraising opportunity for PLANT AMERICA Grants. He offered his gardening and business advice and expertise for the plant selection, for obtaining the plants and for the method of distribution to our members. He believes in our organization's purpose and mission and has helped develop this promotion in many ways by giving his time, his staff's time and by donating a very generous percentage of the sales.

I am very proud to announce that **beginning March 1 and ending June 15, 2018** National Garden Clubs will be selling plants selected by P. Allen Smith. This promotion, entitled **Inspiring Gardens Across America**, includes three different collections of plants. Each item was chosen because of a special feature in its hybridization for performance or beauty or for its limited availability in the general marketplace.

1. **Peony Flowering Daylily Collection.** This collection includes three of the most prolific reblooming double-flowering daylilies.
2. **Sunpatiens® 'Razzle Dazzle' Collection.** This is not your grandmother's impatiens! SunPatiens® is a hybrid impatiens bred by Sakata. These remarkable plants represent a breakthrough in flower breeding: they are **sun-loving** and bloom from spring through frost. P. Allen Smith has grown these in containers and on the grounds of Moss Mountain Farm where they survive the hot summers of Arkansas with no wilting. Each of the four cultivars was picked as the one that is the most vigorous in the series.
3. **Whitewashed Wooden Stand with Succulents.** This selection is for succulent lovers and those who no longer have a garden! The whitewashed wooden stand of reclaimed wood holds three pots of succulents. It's also a great gift item for Mother's Day, Father's Day and other spring occasions.

More detailed descriptions of these plants are included in the brochure/order form found at the end of this newsletter.

Orders can be placed in two ways:

1. NGC Website Online Shopping - www.shopgardenclub.org/shop
2. Mail a check with the order form to NGC headquarters, 4401 Magnolia Ave,

This promotion is not meant to be "We've got a bargain for you." These are quality items chosen by P. Allen Smith that he knows will perform well in your home and garden or as a gift for someone. Allen and NGC share the goal of "Inspiring Gardens Across America" by contributing to the PLANT AMERICA Grant Fund so that we may give as much help as possible to NGC-member garden clubs in their projects all across America.

Our purchases will help grow the NGC PLANT AMERICA Grant Program. Thank you for your support, as all of us working together can benefit so many of our garden clubs throughout the country.

**It's Flower Show Season Again!
Pat Claves, Flower Show Awards Chairman**

It's time to register your show with the CGCI Flower Show Awards Chairman Pat Claves. There is a NEW online Flower Show Registration Form. Once completed, click on the Submit button and the form will automatically be sent to Pat. The link to the new form is on the Home Page of the CGCI website

(<http://californiagardenclubs.com/>) or on the Forms page
(<http://californiagardenclubs.com/Forms>) under Miscellaneous.

If you want to apply for a NGC, Pacific Region or CGCI flower show achievement award, your show must be evaluated by three judges appointed by the Flower Show Awards Chairman (from the judges who you invite to judge the show). By registering your show, your show will automatically be evaluated. Even if you do not want your show evaluated, CGCI would appreciate it if you could register your show so CGCI will be able to keep track of the shows held during the awards year.

Questions? Contact Pat at patclaves@aol.com or 909-337-6911/760-773-0516.

Before your show takes place, you can have your draft flower show schedules critiqued by the CGCI Flower Show Schedules Chairman, Joyce Dean. If you send your draft to Joyce well before the show, Joyce will be able to check that the schedule conforms to the new *Handbook for Flower Shows* before your schedule is printed. Simply send your draft schedule to Joyce at 832 Alvarado Street, Redlands, CA 92373.

Questions? Contact Joyce at guildonthego@gmail.com or 951-285-8775.

Donation Basket (an opportunity)
Robin Pokorski

At every club meeting, Southern California Garden Club collects for Penny Pines and Native Flora. This is the basket we use. It is a two-compartment basket made of plastic canvas.

For a donation to the CGCI President's Project – I will make one for your club. You can choose two icons for the funds/projects YOUR club collects money for. Choose from:

- Penny Pines (pine tree as pictured);
- native flora (orange poppy as pictured);
- Mission Blue Butterfly (blue butterfly);
- Blue Star Markers (blue star);
- Stagecoach Azalea Project (pink flower);
- Rare Plant Treasure Hunt (orange poppy probably);
- or suggest one and I'll see what I can do.

I am happy to provide the instructions at no charge (soon as I write them up).

**Golden Legacy Society
George Perko, Chairman**

You have demonstrated your continued interest in
and support of your own garden clubs, district, and
California Garden Clubs, Inc. Now we challenge you
to provide a further, lasting way to contribute.

In 1931, Founding President Mrs. Leonard B. Slosson, understood that California's natural beauty and its botanical heritage had to be encouraged and expanded by harnessing the efforts of kindred spirits in a new organization: California Garden Clubs, Inc. (CGCI). Since then, thousands of enthusiasts have been devoted to the development of all phases of gardening and floral design, the betterment and beautification of the community, the protection and conservation of our natural resources, and the exchange of information and ideas. You have inherited this legacy, and through your support of CGCI, you have shown just how much you value that legacy.

What if there was a way to transform your annual support into an enduring legacy, a way to support the work of CGCI not just for today but also for decades to come?

A bequest in your will or the designation of CGCI as a beneficiary of your retirement plan assets (RPAs) will achieve just that. These gifts, funded after your lifetime, can ensure that these same values will be conveyed to future generations.

CGCI has two Endowment Funds – one for scholarships and one for the overall organization – both are vehicles to make a significant difference to future generations.

Bequests and gifts of RPAs offer significant benefits to you:

- It costs you nothing now
- There is no minimum donation – every gift make a difference
- Loved ones and CGCI can both be made beneficiaries
- Beneficiaries can change at any time (if your kids begin to annoy you) – you are not obligated by a decision made today
- You may remain anonymous OR, by sharing your decision with other CGCI supporters, inspire others to take a similar step

It is possible to help CGCI achieve a greater tomorrow – and you can make the difference that creates a golden future for CGCI.

Youth Awards

A big THANK YOU to all clubs for your participation in CGCI's youth contests. The Youth Awards Luncheon, normally held at the CGCI Convention each year, has been discontinued. Few students and families could afford the time or expense to attend a convention unless it was in or near their local community. ALL of our youth winners deserve to be honored so we encourage districts and/or clubs to host a local "Youth Awards" event to honor their youth award recipients. Clubs will be notified of the winning entries sometime in April to allow time to plan an event prior to the end of the school year. Thank you again for supporting our youth contests.

Krystal Migliore - CGCI President

Charlotte Tucker - CGCI Youth Awards Chairman

Center for the Families of the Fallen *Excerpted from Keeping in Touch, February 2018*

In 2010 the Delaware Federation of Garden Clubs (DFGC), proposed installing a private garden for the families who come to Dover Air Force Base to participate in the dignified transfer of their loved one. DFGC raised money for this garden, often in very creative and inspired ways. Major support was offered by Renee Blaschke, President of NGC at the time, **sister garden clubs*** from across the nation, The Longwood Foundation, and the Crystal Foundation. Many contractors and suppliers donated their services and materials. Members worked alongside military personnel to make the garden a reality.

On May 31, 2011, less than a year and a half after the idea was conceived, the garden was dedicated and "gifted to the Air Force." The DFGC also installed a Blue Star Memorial Marker in the garden - a very appropriate location. The DFGC arranges for the garden at the Center for Families of the Fallen to be maintained and cared for. The Federation is deeply grateful for each gift that made this garden and its care possible.

**CGCI was one of many state garden clubs supporting this project. In 2011 the CGCI board of directors approved matching funds of \$100 up to a total of \$5,000. Donations and matching funds totaling \$11,075 were sent to DFGC for this project. Thank you to all who participated. Julie West, CGCI President, 2011-13*

LIABILITY INSURANCE Shane Looper, Chairman

The insurance certificates for the insurance year Feb. 15, 2018 to Feb. 15, 2019 should be received by each participating Garden Club and Associated Plant Society on or before March 1, 2018.

Here are some tips/reminder for requesting Additional Insured Certificates.

- The insurance company requires the entire copy of the rental contract with the venue.
- The contract must state that the facility requires the garden club/associated plant society add the facility to the liability coverage.
 - Before submitting forms, please reread the contract and do not assume that the facility is asking for an additional insured certificate when your club agrees to the rental contract.
- The contract does not have to be signed. The insurance company reviews the contract to make sure there are not any other insurance needs in the contract.

Send requests for additional insurance to the CGCI Liability Chairman and be sure to include:

- A check for \$35.00 payable to CGCI.
- A copy of the ENTIRE facility contract/Rental Agreement.
- CGCI'S CERTIFICATE ENDORSEMENT FORM requesting an additional insured certificate. Fill in the required information.

Mail to CGCI's Liability Chairman (the address is on the CGCI CERTIFICATE ENDORSEMENT Form).

Watch for future information in the *Golden Gardens News* regarding liability insurance questions.

President's Project Carolyn Hoyum, Chairman

Hooray for all of you that contributed to the 2017-2019 President's Project *Sustainable and Ever-growing Scholarships*. **Donations to date total \$2,470.** What a group! The donations come not only from the club treasuries and individuals, but also from those fun auctions at the Fall and Winter Board Meetings (bidding on all those things that we really don't need!). Remember that the funds are not just to make this year's scholarship better but could actually add another scholarship plus half of what is donated goes into the endowment fund for future scholarships. Thanks very much to everyone for your support. No donation is too small...the total means that someone will be able to continue their education and make our world a better place to live.
