

Thank you to all the ESGC members for making our December potluck a festive event. We had a great assortment of absolutely delicious food. The hospitality was hosted by Shirley Lipa and Karen Burgesser. Their table decorations were gorgeous with origami trees. Shirley did the folding to create the pattern and Karen cut the sections. The table decorations included souvenirs from England that coordinated with the inspiring PowerPoint talk about London's Kew Botanic Garden, by ESGC member Jenna Catsos who traveled there in the Fall.

January hosts will be Winifred Creamer and Kathy Kosta.
