

2025 CGCI AWARD JUDGING GUIDELINES

Awards Year: January 1, 2025 to December 31, 2025

Award Applicants' Deadlines: December 1, 2025 & January 10, 2026
Award Judging Chairmen's Deadlines: January 3 & February 15, 2026

By Pat Clayes, Awards Chairman

THANK YOU FOR AGREEING TO BE AN AWARD JUDGE!

Background:

All award entries must be submitted electronically to Awards Chairman Pat Clayes. **Exceptions:** Flower Show Award #37 (Flower Arranger of the Year) and Photography Awards #40 and #41. The entries for these three awards must be mailed (Emily Troxell for #37 and Pat Clayes for #40 and #41).

After receiving the electronic entries and mailed photography award entries, Pat saves them on her computer and forwards them (via email) to the judging chairmen responsible for evaluation. Pat also mails the photography entries to the judging chairman. Emily saves the flower show award entries on her computer and assembles a panel to judge them. Emily is also responsible for judging Award #37 (Flower Arranger of the Year) – the entries for this award are sent to Emily via mail. After judging, Emily sends all entries to Pat.

Judging Chairmen need to print and complete evaluation forms for each entry they receive. These forms are in the [Awards Manual](#) on the website under the "Awards" Section. Download the Awards Manual and locate the page for the specific award. Print a copy of this page for each award received. Then, submit the completed evaluation forms to the Awards Chairman. The evaluation forms will be sent to the applicants via the District Directors at the next convention.

After judging, Judging Chairmen need to send the judging report forms (found on the website under "Awards") and evaluation forms to Pat at 72946 Ken Rosewall Lane, Palm Desert, CA 92260, or email them to patclayes@aol.com. The deadline for Judging Chairmen to submit evaluation and judging report forms for all awards with a December 1 deadline is **January 3**, and the deadline for all other awards is **February 15**.

Your Procedure:

- After receiving all entries (ideally five to seven days after the applicant's deadline), try to gather two knowledgeable garden club members for a judging session. Always be kind, nice, and fair. Provide positive and constructive comments on the back of the evaluation form. Start with a positive comment. Please limit your constructive comments, as excessive feedback may discourage applicants from entering in the future.
- Please review the cover sheets and deduct points on the evaluation forms for missing information.
- For yearbook judging, a few dates may be incorrect in the yearbooks; For this awards year, please do not deduct if dates are wrong. Take points off if the event is not included (e.g., NGC Convention & Fall Board Meeting, PRGC Convention, CGCI Convention and two board meetings).
- Complete a judging report for each award, section, or class. Please use legible handwriting or typing. If possible, avoid ties for placement awards (first, second, third, and HM). If scores are close, you can use decimals to deduct points (e.g., minus .0125 for 1/8, minus .25 for 1/4, minus .5 for 1/2, minus .75 for 3/4). When there are many small deductions, adding decimals is easier than adding fractions.
- Keep a copy of the judging report for your records.

- Mail or email evaluation and judging report forms to Awards Chairman Pat Claves at the above address. **Note your deadlines (January 3 or February 15)** for sending the documents to Pat.

Awards Manual & Forms:

Please make sure to review the updated 2025 Awards Manual and Awards Cover Sheet, as well as the "Helpful Information and Suggestions for Creating an Award Application." You can find all these documents on the website under the Awards Section. Additionally, there is a sample of a completed three-page award application available on the website.
